

All divers need to pay a non-refundable deposit to secure their place on the trip.

The deposit will be 50% of the total cost of the trip unless otherwise stated. In those cases 50% of the total cost is due 90 days prior to the date of the trip.

Trip balances should be paid 30 days prior to the date of the trip.

If the trip is organised within less than 30 days a diver must pay for the trip in full to secure their place on the trip.

If a trip is cancelled by the charter then full refunds will be given.

If a club member pulls out of a trip with less than 30 days' notice they are responsible for the trip balance or to find a replacement diver.

Deposits can only be transferred to another trip if the above criteria has been met.
